

REMARKS

Notice of Allowance has been issued in this application, but the Issue Fee has not yet been paid. While reviewing this application, Applicant's Attorneys noticed an informality in Claim 1, and this opportunity is being taken to correct that informality. In particular, in the fifth subparagraph of the claim, "adding" is being changed to "column" so that the description of the quick view means now reads: "a quick view means for selecting columns from one table to be included as columns in a second, viewed table..."

This change does not affect the allowability of the claim, and the Examiner is respectfully requested to enter this Amendment. If the Examiner believes that a telephone conference with Applicant's Attorneys would be advantageous to the disposition of this matter, the Examiner is asked to telephone the undersigned.

Respectfully submitted,
